

BI 9000

ELECTRONIC MONITORING

**ACT
NOW!**

General Security Services Corporation (GSSC) is now offering a special limited time offer on **BI 9000 Electronic Monitoring** (House Arrest) equipment and services. We are an industry leader in the monitoring field and currently have a limited inventory of BI 9000 electronic monitoring equipment available to your agency at a very low rate per day, for a **significant savings off** our standard rate for the same product and monitoring service!

ACT FAST! Supplies are limited. We anticipate a rapid depletion of this specially priced product.

**For a very low rate per day,
your agency will receive:**

To take advantage of this great offer or for more information, contact us at
800-284-2158 x5061
or **ams@gssc.net**.
